

KENWORTH
NAV+ HD

KENWORTH.
The World's Best.

A MORE PRODUCTIVE AND INTELLIGENT SOLUTION TO STAY CONNECTED

When you're keeping one eye on the road and the other on your bottom line, it pays to invest in systems that help you work smarter...get things done faster...connect with the right people...keep you on track...and just plain make it more fun – and less tiring – to do your job.

Introducing Nav+ HD, an in-dash display designed specifically for life on the road. Consider it your personal assistant. With a simple touch to the high-resolution 7-inch color screen – or a spoken command – you have direct access to a full range of valuable and productive features: Truck-specific navigation, roadside assistance, vehicle data, hands-free phoning, audio controls (including satellite radio, AM/FM/CD/MP3/USB/Bluetooth), blind-spot camera inputs and the internet. Nav+ HD. Enjoy the road.

On-board navigation is becoming commonplace, but the Nav+ HD is the first system in the industry to offer optimized routes customized to your truck parameters and your load. You get voice-prompted turn-by-turn directions, plus a comprehensive guide to Kenworth dealerships nationwide.

Crunching your numbers has never been easier or more convenient. A handy built-in calculator features large on-screen buttons, standard math functions and a bright back-lit answer panel.

Nav+ HD makes adding a camera system quick and easy. Real-time screen views for up to four cameras are directly and instantly accessible.

Nav+ HD puts state-of-the-art truck navigation, plus... communication and entertainment technologies at your fingertips – delivering a comprehensive set of valuable solutions designed specifically for the trucking industry. Control central is a bright, high-resolution 7-inch touch screen offering intuitive and direct access to all functions.

- **Seamless Connectivity that Keeps Drivers Close to Entertainment and Information**
- **Traffic Updates, Weather Conditions, Virtual Gauges and Bluetooth Connectivity**
- **Over the Air Updates for GPS Maps**
- **Fully Integrated into the Truck Dash**
- **Up to Four External Camera Inputs**
- **Wireless 3G/4G Cellular Connectivity**

Multiple virtual gauges provide current information on truck operation. Oil temperature, transmission temperature, manifold boost, present and average fuel economy, DPF status and engine torque come pre-loaded.

Nav+ HD audio features AM/FM/Weather bands, SiriusMX satellite* capability for commercial-free programming cross country, CD player, USB port for memory devices containing MP3 or audio files, auxiliary MP3 player hookup and Bluetooth wireless audio streaming from Bluetooth enabled devices.

Nav+ HD integrates Bluetooth wireless technology with an in-cab microphone and speaker. Just pair it with your compatible Bluetooth phone and talk hands-free.

*Requires satellite radio subscription.

Note: Equipment and specifications shown in this brochure are subject to change without notice. Consult with your Kenworth dealer at time of ordering for standard and optional equipment.
